

4051 GULF SHORE BLVD N #1106
LA MER

Gulf, bay and city views abound from this sky home, with the floor to ceiling windows and large wrap around balcony. Lose track of time as you're entertained by the gulls, dolphins and sea turtles, or simply smile to yourself as you watch children building sand castles and playing in the surf. The interior of this corner home boasts a spacious floor plan, a large indoor and outdoor foyer, a wet bar, eat in kitchen, gulf view family room, gulf view living / dining room and gulf view master bedroom. All of which offer endless design possibilities. La Mer will be christened as the latest complete gulf front renovation in December 2015, from the pool to the social room, to the foyer and guest suites, she will reclaim her calling as Naples finest beachfront property.
